The Residences of Lenbrook: The perfect blend of beauty and comfort. ^[1]

Lenbrook is one wonderfully welcoming community comprised of two resident towers. The original Brookhaven tower and the Lenox tower, which opened in 2008, are connected by the main lobby and common areas so everything is essentially under one roof. These beautiful buildings are home to 32 floor plan options--some of the newest and most elegant in Atlanta. In addition, there are several more unique, custom plans from which to choose:

Floor plan styles include:

- 1 bedroom, 1 bath
- 1 bedroom, 1.5 bath with den
- 2 bedroom, 2 bath
- 2 bedroom, 2-2.5 bath with den
- Penthouse, 2 bedroom, 2-2.5 bath with den
- 2 bedroom, 2-2.5 bath with den and study

All plans are striking, updated and offer exquisite features. Plus, you have the option to customize your apartment home to suit you and make it uniquely yours.

Residences include:

- Full kitchen with granite or solid-surface counter top, ceramic tile floors, custom cabinetry, microwave oven, dishwasher and refrigerator with in-door ice maker
- Crown molding throughout
