Convenience at your doorstep. ^[1]

Lenbrook's lush, beautifully landscaped campus sits right on prestigious Peachtree Road, in the Buckhead area of Atlanta. This enviable location is in the most convenient and most exciting part of the city. The area is rich with restaurants, galleries, theaters and museums. The best shopping at Phipps Plaza and Lenox Square is just blocks away. And there is easy access to medical services and facilities. Because GA 400 and I-85 are just minutes away, you have easy access to downtown Atlanta, professional sporting events and the Hartsfield-Jackson airport.

And while it's surrounded by entertainment, culture and every necessity, the Lenbrook community is situated back off the road in a quiet, tree-filled setting. The surroundings are picturesque and serene and include the beauty of a lush, private garden. So while all the convenience is at your fingertips, you feel a million miles away.

Whether in a residence in the Lenox Tower, Brookhaven Tower or in our *Kingsboro at Lenbrook* expansion, Lenbrook's ideal Peachtree Road location gives residents easy access to the best of Atlanta.

And we've created an entire community on one beautiful campus.
